

# WELCOME TO BLUE MANATEE PRESS

a press with purpose

## BLUE MANATEE PRESS PROUDLY PARTNERS WITH NONPROFIT ORGANIZATIONS

Founded in 2011, **blue manatee press** is rooted in a mission to create meaningful, enduring books that help bring grownups and children together.

A core of the blue manatee press **mission** is to create and distribute excellent children's books that convey important, evidence-based health information for families of young children, especially those facing inequities, in a readable, nurturing way. We also strive to create children's books that encourage "shared" reading and "unplugged" imaginative play, and help build early literacy skills.

Led by a **pediatrician** whose work has helped understand how shared reading and screen time impact skills, relationships and early brain development, and using children's books to convey health and parenting information, we are truly, "a press with purpose." We seek partnerships with public libraries, health organizations, hospitals, literacy programs, agencies and other non-profit groups, to help ensure that the story for all children is happy and healthy.
